

Help Make the 2019 Street Painting Festival a Success!

Each year, KAF's Street Painting Festival brings together professional artists and school teams to bring the Village pathways to life with colorful creations. Free and open to the public, the SPF attracts thousands of visitors to the Village. We need your help to assure this year's Festival continues to be the exceptional event all have come to expect. Advertise your business/club or join with a group of friends, pick a name and sponsor (\$500 and up) this this event. Donations designated for the SPF of \$500 or more qualify as sponsorships; please see below. Donations of any size less than \$500 will help defray the costs of the Festival and help pay for those things that make the SPF a family-friendly, fun and safe event, such as:

Chalk for adult artists and school teams;

Food vouchers for artists

Snacks for all participants

Golf carts to shuttle attendees

Stipends to musicians

Awards to People's Choice and Best in Show winners

No-parking barricades

Per Diem staff to assure a safe and clean environment
