Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact and airborne particulates. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people. The Kayenta Art Village has put in place preventative measures to reduce the spread of COVID-19; however, the Village cannot guarantee that you, your family or staff will not become infected with COVID-19. Further, attending the Festival of the Americas could increase your, your family's and staff's risk of contracting COVID-19.

By submitting your application, you acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that you, your family and staff may be exposed to or infected by COVID-19 by attending the Festival of the Americas, and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

You voluntarily agree to assume all the foregoing risks and accept sole responsibility for any injury to yourself, your family and staff (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that you, your family or staff may experience or incur in connection with your attendance at the Festival of the Americas. You hereby release, covenant not to sue, discharge, and hold harmless Kayenta Art Village, the Festival of the Americas, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. You understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Kayenta Art Village, the Festival of the Americas, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during or after participation in the Festival of the Americas.
